

Prosthodontist Sydney CBD NSW

Unique Opportunity Owner Wishing To Retire.

High-Value Fees

Practice Type: Complex Restorative Dentistry

Listing Code: ProsNSW

Layout: This 77 Sqm practice is in a commercial suite with high visibility.

The modern layout has been characterized by the individual principal dentist.

This practice has been operating in the area for 32 years whilst building a solid patient base with a first-class reputation and retention rate.

There are two well-appointed surgeries with access to a third. The suite is separated into two areas on the same floor with the surgeries, steri-room, reception/waiting room, an office in one area, OPG room, kitchen, and a separate office in the second area.

The surgeries overlook Hyde Park in the Sydney CBD and is a short walk from Town Hall station and the Sydney light rail. A Metro station is being built in the adjacent block.

There are opportunities to expand the business, possibly utilizing an interdisciplinary team of specialists.

Surgeries: 3 very well appointed.

Lease terms: The strata for the suites is owned by the vendor and could be leased or purchased from the vendor.
