Where the applicant is deemed suitable, the application will be considered by the Board of Studies for recommendation to the Education Policy Board. Applications that meet the appointment requirements and are supported by the Board of Studies will be considered by the Education Policy Board for approval.

- c) The Education Policy Board will appoint examiners and will inform the Board of Directors and the applicant of their decision.

Examiners may be reappointed beyond the twelve-year tenure period at the discretion of the Education Policy Board. In line with the intent of this Policy, maximum tenure is intended as a guide, and ensures the maximum number of Fellows and Members have the opportunity to experience being an Examiner or Observer.
