- Have well-rounded general dentistry skills
- Can work efficiently and independently
- Are an articulate communicator
- Can provide exceptional care and compassion for our patients while building relationships.
- Keen to help the team succeed and contribute positively to practice culture.
- Experience with D4W - desired but not essential.
- Available to work some Saturday's- essential
- Hold current AHPRA registration and Professional Indemnity Insurance.

What we can offer you?

- Excellent practice culture where all well-trained members of the team are committed to seeing you succeed
- Loyal and growing patient base that appreciates quality service
- Quality equipment including intraoral scanner, iTero and Primescan, Gemini Laser and Piezotome
- IV sedation services available onsite, with access to GA services
- Ongoing education opportunities
- Clinical freedom with the option of mentorship if desired in fields of advanced cosmetic dentistry, oral and implant surgery and prosthetic techniques available.

We look forward to hearing from you. Please send your letter of application and CV to:
