

Your Tasmanian Experience Awaits at City Dental

Where you'll work

As our newest associate at City Dental in Hobart, you will be joining a team who is genuinely passionate about patient care and who is continually striving to achieve the best outcomes for our Tasmanian community. Lead by Dr Martin Fernando, our compassionate and preventative approach has seen City Dental grow from a single practice in 2012 to multiple locations across southern Tasmania. We have a team of 10+ dentists, an in-house prosthetist, and strong relationships with Hobart's leading specialists and laboratories. Tasmania provides an attractive way of life, where food and wine, arts, culture and nature are easily accessible, and you will have the ability to explore and enjoy all of the opportunities at your doorstep.

What you'll do

We're looking for a patient-focused dentist to join our team. Whether you're an experienced dentist or a recent graduate, we can offer a full-time position along with flexibility for those seeking work-life balance.

By joining City Dental, you'll enjoy all the advantages of a large practice, such as career development, established systems and a supportive team, all without the financial targets and pressure. As a preferred provider for major health funds, you'll have a consistent source of new patients in addition to our well-established and loyal patient base.

What you'll enjoy

- Full books, clinical autonomy, and a competitive remuneration package.
- The opportunity to be a part of a diverse, growing, and supportive team.
- Relocation support and brand-new accommodation is on offer for eligible applicants.
- Support and encouragement for ongoing professional development and training.
- Work-life balance and flexible scheduling options.
- Modern surgeries equipped with cutting-edge equipment, including:
 - Wireless Trios 3 Intra Oral scanners
 - 3D printing
 - Digital X Rays
 - Kavo Surgical Motors
 - Rotary Endo
 - Zoom Whitening, and more.

What you'll need

- A caring and gentle approach to dentistry.
- A genuine desire for providing the best in ethical patient care.
- Excellent communication and interpersonal skills.
- A collaborative and growth mindset.
